Subaru Announces Pricing On 2022 Outback

- Outback Wilderness™ debuts, the most rugged and capable Outback in history
- The SUV adds features with only minimal price increases from previous year
- Starting price at \$26,945, only a \$150 increase from the previous year

Camden, N.J., Jun 19, 2021 - Subaru of America, Inc. announced pricing on the 2022 Outback SUV including the all-new rugged Subaru Wilderness™ trim. The 2022 Outback gains new standard features while remaining competitively priced when it arrives at Subaru retailers this summer.

The all-new Outback Wilderness debuts for the 2022 model year and is ready for adventure with a standard 2.4-liter turbocharged SUBARU BOXER® engine, advanced dual function X-MODE®, elevated 9.5-inch ground clearance, all-terrain tires, upgraded suspension and unique exterior and interior styling.

For better nighttime visibility, LED fog lights are now standard equipment on all Outback trim levels.

The Outback Premium trim now features rear ventilation in the center console for better climate control throughout the cabin.

The Outback delivers the optimal blend of SUV capability and car-like ride and handling with standard Subaru Symmetrical All-Wheel Drive, Active Torque Vectoring, Vehicle Dynamics Control and X-MODE with Hill Descent Control.

For 2022, Outback is offered in Base, Premium, Limited, Touring, Onyx Edition XT, all-new Wilderness, Limited XT and Touring XT trim levels.

The well-equipped Outback (Base) starts at a value driven price of \$26,945, only a \$150 increase from the previous year. The Base comes with an extensive list of standard features including EyeSight® Driver Assist Technology featuring Advanced Adaptive Cruise Control with Lane Centering; Apple CarPlay® and Android Auto™; LED Steering Responsive Headlights with High Beam Assist; Rear Vision Camera with Adaptive Guidelines; X-MODE® with Hill Descent Control; and LED fog lights.

Additionally, the Base is equipped with the SUBARU STARLINK® dual 7.0-inch center information display featuring an upper 7-inch touchscreen with audio controls, and lower 7-inch touchscreen with controls for climate, EyeSight, X-MODE, and other vehicle systems. The multimedia system offers AM/FM/HD Radio; Apple CarPlay and Android Auto;

Bluetooth® hands-free phone and audio streaming connectivity.

The Outback Premium starts at \$29,145, also an increase of just \$100 from the prior year. The Premium includes all the standard equipment from the Base and adds several features including the All-Weather Package; leather-wrapped steering wheel; dual-zone automatic climate control system; 10-way power driver seat; and two USB charging ports in the rear section of the center console. The Premium also upgrades to the 11.6-inch STARLINK Multimedia Plus. New for 2022, the Premium is equipped with rear ventilation in the center console for increased comfort for the occupants in the back seats.

There are two option packages available for the Premium. The first includes Hands-Free Power Rear Gate; Keyless Access with Push-Button Start; and Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert with an MSRP of \$1,400. The second package adds a Power Moonroof and the STARLINK 11.6-inch Multimedia Navigation for an MSRP of \$2,995.

Priced from \$35,145 the Outback Onyx Edition XT remains the same as the previous year. The Onyx Edition XT includes all the standard features from the Premium plus the 2.4-liter turbo SUBARU BOXER® engine; Hands-Free Power Gate; 180-Degree Front View Monitor; dual function X-MODE; and a full-size spare tire. The SUV comes standard with unique black-finish exterior elements; 18-inch alloy wheels and badging; and a two-tone interior with seats wrapped in durable StarTex® material.

A single option package that includes Power Moonroof; STARLINK 11.6-inch Multimedia with Navigation; and Reverse Automatic Braking is available for an MSRP of \$1,845.

The Outback Wilderness has a starting price of \$36,995. The all-new trim level builds off the Onyx Edition XT including the 2.4-liter turbo SUBARU BOXER® engine; Hands-Free Power Gate; 180-Degree Front View Monitor; and a full-size matching spare tire. In addition, the Outback Wilderness is equipped with exclusive new features including advanced dual function X-MODE; Yokohama GEOLANDAR® all-terrain tires; and unique exterior and interiors accents.

The suspension on Outback Wilderness has been tuned for improved stability on rough terrain while retaining ride comfort and handling performance on the open road. The front and rear shock absorbers and springs were increased in length to provide more suspension travel with 9.5 inches of ground clearance.

An option package that offers Power Moonroof; STARLINK 11.6-inch Multimedia with Navigation; and Reverse Automatic Braking is available for an MSRP of \$1,845.

The well-appointed Outback Limited starts at \$33,595, no increase from the previous year, and adds perforated leather-trimmed upholstery; heated rear seat backs; hands-free power rear gate; and Keyless Access with Push-Button Start to its list of standard features. Standard driver assist technologies include Reverse Automatic Braking and Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert.

An option package includes Power Moonroof; Heated Steering Wheel; STARLINK 11.6-inch Multimedia with Navigation; Harman Kardon® premium audio system; and DriverFocus® Distraction Mitigation System. The \$2,045 MSRP carries over from the previous year.

At \$37,995, the turbo-charged 2022 Outback Limited XT maintains pricing from the previous model year. Along with the upgraded 2.4-liter turbo BOXER engine, Outback Limited XT adds Power Moonroof; Heated Steering Wheel; STARLINK 11.6-inch Multimedia Navigation; Harman Kardon premium audio system, and DriverFocus.

The Outback Touring is priced at \$37,495, no increase from the previous year. The top-of-the-line trim level includes all the standard equipment of the Limited, plus the 180-Degree Front View Monitor; automatic power-folding mirrors; Heated Steering Wheel and Ventilated Seats. The Touring is adorned with exclusive exterior and interior accents and genuine Java Brown Nappa Leather upholstery throughout the interior.

The Outback Touring XT is priced at \$39,945, also priced the same as 2021 model year, and comes with all the standard equipment of the Touring and adds the 2.4-liter turbocharged BOXER engine.

The Outback is built at Subaru of Indiana Automotive (SIA) in Lafayette, Indiana along with the Ascent, Legacy, and Impreza.
